

Thanks for helping promote our events!

Here's a short guide on how to use our event media pack...

What we provide:

Facebook post
Optimised for Facebook feeds. Caption can be copied from copy document.

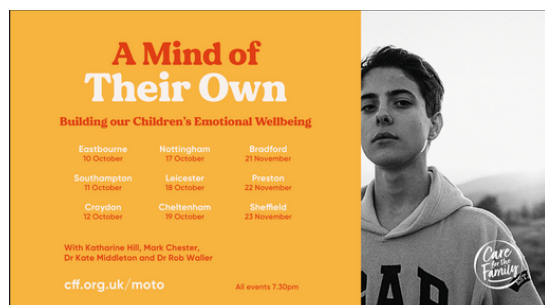

Instagram post
This can be posted on your Instagram feed. Caption can be copied from copy document.

Story post
This is a standard story size, for use on Instagram and/or Facebook stories. No caption required.

Poster
This is for any notice boards/advertising spaces etc. Type the details of your event in the box provided and print.

PowerPoint slide
This is a standard size slide, so whether you use PowerPoint or another program, you can use this to advertise on screen. No caption required.

For email/other social media platforms

Feel free to use whichever image feels appropriate for the context.

Copy document

In here you will find captions for each social media platform for you to use as required.
